With her 2006 debut at La Scala as Zerbinetta in *Ariadne auf Naxos*, Canada's premier coloratura soprano Tracy Dahl has taken another milestone in a career that has brought her together with such opera houses as the Metropolitan Opera, San Francisco Opera, Houston Grand Opera, Santa Fe Opera, Canadian Opera Company, and the Chatelet in Paris, to name a few. Along with her Friday evening concert, a vocal masterclass with Ms. Dahl will be held Saturday morning.

Guest Clinician & Artist: Jacques Després

Pianist

Critics worldwide have celebrated Després' musical approach for its rare combination of virtuosity and artistic integrity. Després commands a broad and eclectic repertoire. His recordings appear on labels such as Naxos, Eroica, Gallo, and Arktos. Highlights of the past few seasons include performances in Hong Kong, Beijing, Manila, Seattle, Montreal, New York, Chicago, Reno, and Sacramento. On Saturday afternoon, Dr. Després will help us commemorate Debussy's 150th Birthday by giving a presentation on the art that influenced Debussy's *Préludes*, followed by a Lecture-Recital on Debussy's *Préludes*.
